

WORKSHOP DESCRIPTION

REGINA HONA

LANDSCAPES - November 26 & 27, 2022

Location: Senior Art Supplies, 1310 Malvern Road, Malvern 3144
Time: 9:30am - 4pm, BYO lunch, Tea/coffee will be provided.
Medium: Pastels - Although demos each day will be in pastel, participants can choose to paint in pastel, oils or acrylics as my approach using these mediums is very similar.

A suggested materials list will be provided to participants one month prior to start of the workshop. Lunch can also be purchased from several cafés nearby on Malvern Road.

Please arrive earlier close to 9 am if you can on Day 1, and park in front to take your gear up to our workshop room (1st floor) above Senior Art Supplies. Studio entrance is via the side door using lift or stairs, not the shop. It's **IMPORTANT** to then move your car before the workshop starts to one of the side streets nearby leaving the 2 hr parking at the front for shop customers. You will also need 10-15 minutes to set up on Day 1 so that we can start punctually at 9:30 am. On Sunday you are free to park anywhere as Seniors is closed.

For any queries, please contact Regina on 0427 015 970 or email at reginahona@gmail.com

DAY 1: Trees & Grass

DAY 2: Landscape Perspective

We will be exploring and practicing ways to paint and capture the various elements of our Australian landscape in a controlled environment using images provided by your tutor. You are free to use your own, but similar subject material if you wish. You will also learn the fundamentals of landscape perspective with a focus on value judgement, colour selection and edges to help create balance and structure within your subject and discover what makes for a more powerful composition that draws the viewer in.
